Leadership Training Roundtable Discussions
Friday, November 11, 2016
7:30 am - 8:30 am

Once again, Leader Training will be conducted during morning roundtable discussions, to generate some great ideas in a conversational setting. These discussions will be held on Friday morning during our breakfast hour – all AWMI leaders as well as registrants interested in learning more about becoming more involved in the association are encouraged to participate.

Plan ahead your questions or ideas on current positions, future positions, or topics of interest where new ideas can be shared with all. The AWMI Executive Committee will facilitate tables focusing on individual positions while other leaders will host table discussions focusing on challenges or wins that chapters have dealt with. AWMI’s four cornerstones of Grow, Educate, Network and Mentor will all be practiced at this training session in a casual atmosphere setup for success.

Leadership Training Roundtable Discussion Topics*

In the past, the AWMI Executive Committee used to run this session around their specific roles and looked for member input. While this has worked, it has not allowed for the intimate sharing of ideas and creativity that leads to renewed success within the position. Please plan ahead to attend this leadership breakfast, starting promptly at 7:30am (come early), feel free to send questions or comments ahead to discussion leaders.
