Proposal Title: International Scholarship Fund Requirements & Opportunities

Proposal Category:

Change in Policy - Current policy section and page: **Section K, Page 7; Index Page as Necessary**

Change in Bylaws - International or Chapter: Article/Paragraph #: _____

Proposal Description: Updating the requirements for board members seeking funds to attend International Board Meetings and/or Conferences, while also clarifying opportunities to both members and board members.

Reason for Submission: At times requests are in excess of available funds and these changes are necessary in order to provide fair opportunity to all board members needing assistance.

Positive Implications for AWMI: Allowing more board members the opportunity to attend these important, fulfilling events

Financial Implications: Yes No (If yes, specify implications on Intn'l, Region & Chapter levels)
If insufficient monies are available via the International Scholarship Fund, region and chapter budgets may be strained in order to ensure the proper board representation at such meetings/conferences.
