

## Inventory Accountant

9/10/2009

### Job Description

ThyssenKrupp is a global leader in carbon and stainless steel with a proven track record of innovation, corporate citizenship, social and environmental responsibility, employee safety, and customer satisfaction.

**ThyssenKrupp Steel USA** is seeking an **Inventory Accountant** to assist our developing processing operations in Calvert, Alabama.

Our Inventory Accountant will:

- Analyze and reconcile all inventory accounts
- Analyze, report and explain variances of inventories (production, physical differences)
- Coordinate and audit physical and cycle inventories
- Prepare inventory accounting provisions (Lower of Cost or Market and Obsolescence Reserves)
- Participate and own FI inventory accounting processes within SAP
- Develop and author processes within Nimbus Control 2007
- Assist with other projects as required

### Job Requirements

Our Inventory Accountant will have or demonstrate:

- Sound working knowledge of inventory accounting
- 5 to 7 years experience as an inventory accountant
- Bachelor's Degree in Accounting or Finance, or combination of education and related experience
- Demonstrated knowledge in SAP module FI / CO / MM / PP
- Understand production workflows
- Advanced Microsoft Office experience (with particular focus on Excel)
- Ability to relate well to others, as well as interact with various groups
- Highly motivated to participate in a start up environment
- Interest and ability to work at our site operations in Calvert, Alabama
