

AWMI Mentoring survey

The purpose of this survey is to help AWMI build a database of mentors and the topics they would feel comfortable discussing with a potential mentee. You need not be an "expert" in the topics below to be able to lend guidance and insight.

Name:

Company:

Email:

Phone:

Job Title:

Job Function:

How many years have you worked in the metals industry?

How many years have you been an AWMI member?

Which AWMI Chapter?

I am willing to serve as a mentor:

On a short-term/ad-hoc basis (< 3 months)

On a longer-term basis (3 months to 1 year - connection calls approximately once per month)

No preference

I am not interested in serving as a mentor at this time, but add me to the database

I would be willing to speak with a mentee about the following topics (PLEASE CHECK ALL THAT APPLY):

General/Unspecified

Work/Life Balance

Children and Career

Spouse and Career

Relocation

Negotiating a Raise

Conflict Management

Dealing with Negativity in Teams

Leading without Formal Authority

Communication of Difficult Messages

Being Female in a Traditionally Male Industry

Working in a Multigenerational Environment

Changing Industries

Making a Job Change

Imposter Syndrome/Feelings of Inadequacy

Networking skills

Managing deadlines

Environmental Health and Safety

Scrap/Recycling

Technical/Metallurgy

Military Experience

Other Topics:

AWMI board service/leadership (Please summarize your own AWMI board experience here):
